Riichi

Clearly announce « Riichi »

Tilt your discard tile to indicate when the Riichi took place

Bet 1000 points

1 Riichi is a 1 han yaku, it can be made alone, or combined with other yaku

+1 In case of victory in the first uninterrupted turn following the Riichi, +1 han (Ippatsu)

In the event of a victory, uradora indicators are revealed, which can bring bonus han

Once you have announced a Riichi, you can no longer change your hand

FURITEN

IMPOSSIBLE RON

Furiten is a rule that prohibits you from winning on the discard of opponents (Ron) in 3 different situations:

Own discard

If you have already discarded any tile that could complete your hand, you remain furiten until you change your waiting tile(s).

Other discards

If you let pass a tile that can complete your hand, you remain furiten until your next draw, or until your next call.

After a riichi

If you let pass a tile that can complete your hand once you have announced a Riichi, you remain furiten until the end of the game.
